

LUNCH AND LEARN PRESENTATION

Palliative and Hospice Care 101

Join us for this interactive discussion to learn more about Palliative and Hospice Care. Our speaker, Kelli Tucker, has over 13 years of experience in the field and has also gone thru the journey with both of her parents. Kelli is a helping hand and advocate to those who need the support and direction when its time to make life decisions for their own family member or friend. She sees the importance to this service and what it means to care, coordinate, and navigate through ones journey.
